The Character Passport will help you to be an **active** member of our **Christian community** of **love** and **service** where all **feel loved** and **are valued**. It will help you to **recognise the gifts of God within us**, to **search for excellence** and to foster the **development of our true self**. You must choose a task from the Super Curriculum pages. You can find them here: [Bishop Ullathorne Catholic School - Super Curriculum](#) or in a task on Class Charts.

Describe the activity you completed. How has it helped your subject knowledge? I went on the Step into the NHS website to find out more about the different careers involved. I didn't realise that there is over 350 different options! I entered the competition to create a unique job advert for being a haematologist which is someone who studies and treats blood. I made a cartoon strip which showed someone learning about what the job involves.	Describe the activity you completed. How has it helped your subject knowledge? I researched a best-selling artist from history so I chose The Beatles. I asked my grandparents about them and they said there was "beatlemania" when the "fab four" from Liverpool performed as they were so popular! Their song 'I Want to Hold Your Hand' has sold over 12 million copies and they recorded hundreds of songs but my favourite songs are 'Hey Jude', 'Let it Be' and 'Help!'	Describe the activity you completed. How has it helped your subject knowledge? I created a research page about fast fashion. I was surprised that the fashion industry is responsible for 8-10% of global emissions. I used the internet and podcasts to find out about the negative impact that cheap, mass produced clothes can have because of the water and dyes used. I drew images of what people can do to reduce climate change and one is to buy less clothes and look after them.

Attentive and Compassionate

Visit BBC sounds and listen to one of their geography related podcasts and make notes on what information you have learned. Here is a link to the geography related podcasts - <https://www.bbc.co.uk/sounds/brand/m000qwt3>

You need to research two countries on the CIA world fact book and compare the countries. You might want to look at their land mass, life expectancy and some features you find interesting yourself - <https://www.cia.gov/the-world-factbook/countries/>

Wise & Curious and Faith-filled & Prophetic

Create your own micro ecosystem in a jar on your windowsill in your home. Use this clip to help with ideas – report on how it is progressing. <https://www.youtube.com/watch?v=GIWy75QPxkl>

Mind a map of The river Avon, it flows through Kenilworth and Warwick. See if you can find a meander on the map and then go and visit it. Produce a labelled photo of how it formed.

Getting to Know You

How have you demonstrated the **Ullathorne Way** when you are at home or in your local community?

At home I am grateful by saying grace before meals and thank you. I am compassionate to my family by helping at home with washing up and other jobs. In my local community I am attentive and pick litter up when I see it.

How have the following activities helped you learn about the world of work: JED, What's my Line in CPSHE, inspirational person, Job of the Week, looking at careers in different subjects?

I enjoyed What's my Line as it helped me find out more jobs that I didn't know about. The inspirational person is always interesting as they are always different people but have done good things in the world and I hope to be an inspirational person one day. I enjoyed finding out more about jobs in Music and Drama as I think I would like a job in performing arts when I am older.

Thank you for your efforts to achieve the Silver Award and showing independence. Next up, the Gold Award which is about showing faith in action.

Answer the two questions on the back of your Character Passport in lots of detail so that we can get to know you further.

After you have:

- completed the sections needed and written as much as you can
- got each task signed by a teacher

then you are ready to hand your Character Passport to your Character Passport Leader for checking. Then your form tutor will sign it.

Thank you for your hard work!
