The Character Passport will help you to be an **active** member of our **Christian community** of **love** and **service** where all **feel loved** and **are valued**. It will help you to **recognise the gifts of God within us**, to **search for excellence** and to foster the **development of our true self**. You must choose a task from the Super Curriculum pages. You can find them here: [Bishop Ullathorne Catholic School - Super Curriculum](#) or in a task on Class Charts.

Subject chosen: CPSHE	Subject chosen: Music	Subject chosen: Art Textiles
Describe the activity you completed. How has it helped your subject knowledge? I went on the Step into the NHS website to find out more about the different careers involved. I didn't realise that there is over 350 different options! I entered the competition to create a unique job advert for being a haematologist which is someone who studies and treats blood. I made a cartoon strip which showed someone learning about what the job involves. 	Describe the activity you completed. How has it helped your subject knowledge? I researched a best-selling artist from history so I chose The Beatles. I asked my grandparents about them and they said there was "beatlemania" when the "fab four" from Liverpool performed as they were so popular! Their song 'I Want to Hold Your Hand' has sold over 12 million copies and they recorded hundreds of songs but my favourite songs are 'Hey Jude', 'Let it Be' and 'Help!' 	Describe the activity you completed. How has it helped your subject knowledge? I created a research page about fast fashion. I was surprised that the fashion industry is responsible for 8-10% of global emissions. I used the internet and podcasts to find out about the negative impact that cheap, mass produced clothes can have because of the water and dyes used. I drew images of what people can do to reduce climate change and one is to buy less clothes and look after them.

A. Plan and deliver an Act of Worship for your form group I planned an Act of Worship about compassion. I wrote it about the difference that an act of kindness can make to make other people feel happy and like they belong to our school community. After the prayer, in the reflection I asked people to think about what act of kindness they could do for someone in our form group.		✓	✓	✓			Signed by Form Tutor
B. Participate regularly in a school club Every Friday second break I go to Chess Club with Mr Ward. I really enjoy how you have to think about the different possible moves and which one would be best. In Chess Club I like that we can compete against each other and I have been able to meet students from different year groups.					✓	✓	Signed by Leader
C. Represent the school at sport / mass / public speaking / music / drama event							
D. Learn a new skill - it could be in arts and crafts, music, performance arts, sport etc.							
E. Enter a school competition I wrote a book review about <i>When I See Blue</i> by Lily Bailey for the Library Ullathorne Way competition. The book is about a boy called Ben who starts at a new school and is worried about making friends. I included extracts of the book where Ben was treated with compassion by his peers and how it helped him settle in.		✓	✓		✓	✓	Signed Librarian
F. Create a piece of writing on the theme 'caring for our community' or 'resilience' (e.g. story, poem, brochure, powerpoint)

Getting to Know You

How have you demonstrated the Ullathorne Way around school? Think about lessons, in the canteen, in corridors, on the playground...

I have been attentive by listening to instructions from teachers and completing home learning by the deadlines. When writing or speaking I make sure I am eloquent by thinking carefully about the words I choose. I show my faith every day through my actions towards others and prayer at the start, break and end of the day. After each lesson I say thank you to the teacher and to staff in the canteen to show how grateful I am. In corridors I am attentive to the needs of others.

What extra curricular activities are you involved in outside school? Think about clubs, sports, instruments etc. What do you like about them?

On Sundays I am an Altar server at my local church. I am learning the piano and make sure that I practice at least 3 times a week so that I can improve my skills. I go to rugby training in the week and play in matches at the weekend and enjoy being part of a team.

Thank you for your efforts to achieve the Bronze Award and showing engagement. Next up, the Silver Award which is about showing independence.

Answer the two questions on the back of your Character Passport in lots of detail so that we can get to know you further.

After you have checked that you have completed the sections needed, and written as much as you can, then you are ready to hand your Character Passport to your Character Passport Leader for checking.

Thank you for your hard work!

Task B is “participate regularly in a school club”. This is an easy one to achieve – because we are lucky to have such a range of clubs available!

Our list of Clubs and Activities is updated every Autumn, Spring and Summer. currently being updated. It will be on display in A Block foyer, Class Charts and our school website.

We hope that all BU students sign up to at least one club – and attend it regularly. Joining a club can help your personal development, social life, academic skills and future career choices... so which clubs will you join?
