Dear parent/ carer

I hope this letter finds you and your family well. We have started our new academic year in a very positive way, welcoming our new Year 7 and 12 students to school. All our school community have made an excellent start to the year.

This morning, the Community Police Officer for Wainbody Avenue came into school to speak with us. They have requested that we inform you that police officers will be present at the beginning and end of the school day over the next few weeks, observing the parking of cars outside of school. If parents do not park sensibly, parking tickets will be issued.

As I wrote last year about the importance of parking considerations, we kindly ask that you refrain from parking on Leasowes Avenue or any of the driveways leading into the school. Instead, please park on the surrounding avenues or at the Memorial Park and have your child walk to you. This will help to alleviate congestion and ensure the safety of all our students.

The red arrows mark the areas which are preventing our student's safe exit from school. The green arrows are where it is safe to park.
