

### wonder word answer sheet

		one won			sleigh slay
		bawl ball			thrown throne
		tide tied			greece grease
		bare bear			soar sore
		pane pain			roll role
		flower flour			board bored
		new knew			week weak
		ate eight			

Start by matching up all the homophone tiles that are in the bag, there should be 15 pairs of words (30 tiles in total). Then flip over each pair of tiles and look at the shapes that will be on the back of the tile. After you can compare those shapes to the answer sheet and if the 2 shapes are next to each other on the answer sheet then you are correct. If not then look at the words which should have gone together so you know the correct answer.

Method

1. Bring a large pan of water to the boil and cook the pasta following pack instructions, adding the broccoli florets to the pan for the final 4 mins. Drain and set aside.
2. Meanwhile, make the sauce. Heat the oil in a large pan and cook the onion for 5 mins to soften, then stir in the garlic and cook for 1 min more. Stir in the ham, cream and mustard, then bring to the boil. Add the pasta and broccoli, then stir in the cheese, coating everything in the sauce.
