

Eloquent and Grateful

	Read this Newsround article to find out more about what the problem is with plastics and what people are doing to make a difference: https://www.bbc.co.uk/newsround/42810179
	Find out more about polymers! Why were they invented? Where do they come from? When were they invented? How have they changed our lives? A Brief History of Plastic by TED-Ed https://www.youtube.com/watch?v=9GMbRG9CZJw and Plastics 101 by National Geographic www.youtube.com/watch?time_continue=216&v=ggh0Ptk3VGE&feature=emb_logo

Attentive and Compassionate

	Listen to the People Fixing the World podcast to find out more about The Future of Wind Power https://www.bbc.co.uk/programmes/p0chcs5b
	Watch this video and have a go at drawing your own orthographic drawing: Technology Student – Orthographic Drawing www.youtube.com/watch?v=LSLzn4DK7GI

Wise & Curious and Faith-filled & Prophetic

	Enter the Design Ventura Mini Challenge! Can you come up with an idea for a new product that promotes wellbeing? Design a product that looks to promote health and happiness. Your product idea can promote: <ul style="list-style-type: none"> - Mental health and emotional wellbeing - Physical health - Positive relationships and social wellbeing - Personal growth and education The product you design should be suitable to be sold in the Design Museum Shop – have a look at current products here www.designmuseumshop.com Draw out your product idea, make it clear what it is and how it works. Maybe even make a 3D model!
	Visit your local cinema. Create designs that would solve these questions: <ul style="list-style-type: none"> - How can products be used to encourage people to visit the cinema? - How can products be used to improve the experience of people at the cinema?
