

Eloquent and Grateful

These books are brilliant to support your sketchbook work - try accessing them online or through the library.

- The Sketchbook Challenge: Techniques, Prompts, and Inspiration for Achieving Your Creative Goals by Sue Bleiweiss
- Expressive Sketchbooks: Developing Creative Skills, Courage, and Confidence by Helen Wells

A great programme to give you inspiration in fabrics, sewing and fashion is The Great British Sewing Bee which can be found on BBC iPlayer. The transformation challenges are the best bit – think about what you would do if you were given the same challenge.

Attentive and Compassionate

Podcasts are a great way of listening and understanding someone’s point of view.

Use the internet and you tube to research the techniques you will be covering in Art Textiles this year – what are they often used for? How are they made?

- Tie Dye
- Block Printing
- Applique

Wise & Curious and Faith-filled & Prophetic

As young designers, we have a responsibility to think about the impact that we all have on our environment. Produce the following:

- One research page about ONE area of sustainability in fashion.
- Produce a page of pattern and/or fabric samples linked to your chosen area of sustainability.
- Produce FOUR OUTFIT designs for any occasion linked to sustainability. Include aspects of your research and any fabric samples.

Build up your knowledge of contemporary and non-contemporary artists to help you in your Art Textiles work. It is not always about visiting big galleries, often smaller galleries will have some excellent exhibitions on. Local galleries include:

- Herbert Art Gallery – Coventry
- Mead Gallery – Coventry
- RBSA – Birmingham
- Ikon – Birmingham

Write a report of the work you have seen and why you like it.
