

Eloquent and Grateful

'No logo' By Naomi Klein (1999)
'Fugitive Denim' By Rachel Louise Snyder (2008)
'Globalisation and the environment: Capitalism, Ecology and Power' By Peter Newell (2012)

The way home (2002)
Capitalism: A love story (2009)
Bombay calling (2006)

Attentive and Compassionate

<https://www.youtube.com/watch?v=lcE10tzPv2Y> Listen to this to decide on the winners and losers in Globalisation.

What have been the main drivers and players leading to the expansion of the globalised world?

Wise & Curious and Faith-filled & Prophetic

Answer the following:
Is there evidence to suggest that anti-globalisation movements are threatening globalisation processes?

Arrange a trip to London or Birmingham and research global influences by listening for languages spoken or written in city centres. Assess the impact that this is having.
