Teach yourself CPR in 15 minutes using this online app. How many others can you teach? This links into the Healthy Lifestyles unit.

Wise & Curious and Faith-filled & Prophetic

After looking at your ecological footprint and the schools in the unit on The Environment and Sustainable Development, research what large events like music concerts and sports events (world cups, Olympics) are doing to try and host carbon neutral events.

Linked to the Volunteering and Charities unit in Year 8 take part in some local action. Research the work of local charities and see what ways you could get involved. This could involve collecting food for foodbanks. Sorting items at home to donate to charity shops or organisations in your area. For example The Betty Ennis Foundation in Willenhall, Hillfields Community Hub, Cheylesmore Community Centre.
