PLEASE TURN OVER FOR EXAM INFORMATION AND RULES

INFORMATION FOR PUPILS

- Registration will take place on B Block Playground at 0840am each day. Please go directly here and not to your form rooms.
- Please note the exam on Monday 26 February will begin at 0840am. You will need to be lined up on the playground for 8.30am.
- You will be given an individual exam timetable prior to these mock exams that will give you details of room and seat numbers. Please ensure that you keep this safe and bring it with you to all exams

EXAMINATION RULES

- You must be on time for and attend all your examinations. There will not be an opportunity to take missed exams at a later date.
- **You are under formal examinations conditions from the moment you enter the examination room, until you leave the examination room.** You must not talk to, attempt to communicate with or disturb other candidates once you have entered the examination room.
- On entry to the exam room, place your bag at the back of the room.
- **Do not open or write anything on your examination paper until you are instructed to do so.**
- You must follow the instructions of the invigilator at all times.
- Equipment will not be provided. Please make sure that you bring with you to all of your examinations the equipment that you need for your exams. Geometry sets, rulers, calculators and other stationery can be purchased from the Gatehouse.
- You must ensure that any mobile phones, internet watches, mp3/iPods, AirPods/ear buds, earphones or any other electronic device are **switched off** and left in your bags before entering the exam halls. These items are not allowed on you under any circumstance during the exams. Possession of a mobile phone or other unauthorised material is breaking the rules, even if you do not intend to use it, and you will be subject to penalty and possible disqualification.
- You are not allowed to wear any kind of wrist watch in the exam hall. Please ensure that you take them off and place them in your bag before entering the room.
- Pencil cases must be non-coloured/non-patterned and see through. If you have metal tins containing geometry equipment or other stationery then you must remove the items you need and leave the tin in your bag – they must not be brought to your exam desk.
- Calculators must not have a lid. If you have a lid you must remove it and leave it in your bag before entering the exam room.
- The only drinks allowed in the hall are clear bottles of water (not squash or fizzy drinks). Any labels must be removed. Coloured see through bottles, or bottles with writing/measurements on are not permitted.
- You must wear correct school uniform to your examinations.
