Revision podcast.

<https://www.explorellearning.co.uk/free-resources/creating-a-gcse-revision-timetable/>  
Get on board with planning a revision timetable that works for you.

**Wise & Curious and Faith-filled & Prophetic**

CPSHE lessons include sharing good practice and revision strategies that work well. Review those that you are not currently using and incorporate them into your revision program.

Make sure you are attending afterschool revision classes delivered by your teachers after school. This is a great opportunity to delve deeper into your curriculum areas with sessions delivered by experts in your subject.
