

Eloquent and Grateful

Read the options booklet issued by the school. Take time and read though each subject very carefully to help you make the best choices that you can.

Watch the options choices TikTok clip – ‘Your choice’

Attentive and Compassionate

Look at this website that has resources that will help your parents/guardians to support you in having informed and constructive conversations about different training and educational pathways that are available to you.
<https://www.talkingfutures.org.uk/>

Go onto the school website and review the careers page and look at the various links including ‘careerometer’.

Wise & Curious and Faith-filled & Prophetic

JED – Job Explorer Database
Log in as shown by Wendy Bellingham (Careers Advisor). Explore the different careers and pathways.

Visit your subject teachers and ask them if you have any questions about options choices.
Or visit higher education establishments like Warwick or Coventry University campus to help raise your aspirations.
