Additional Teacher Training Day

Message from our Headteacher

"I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life." John 8:12

This Spring term has probably been the most unusual school term I have ever experienced. I am sure that is the same for most of my colleagues and many of you at home. The sudden move to online learning, followed by the return to school, by way of lateral flow testing, has been unprecedented.

However, what has remained true throughout has been the resilience, compassion and attentiveness of our incredible young people. Although the school community has not been together through this Lenten journey, we have all been working incredibly hard.

The messages of Lent: rejuvenation, rebirth and sacrifice - are incredibly relevant at the moment. We have been in a very dark place. However, there are genuine signs of recovery. Having the students back in school has been evidence of that. Hopefully, as restrictions start to lift over the Easter period, we will all start to feel like life is beginning to return to normal. The children will be bringing home another pack of lateral flow tests for the Easter period. By taking the test twice a week it will help to reduce the transmission of COVID-19 even further.

As we move through this dark period and into a more hopeful Summer, may I take this opportunity to wish you and your family a very happy and blessed Easter. God Bless.

Chris Billings

Chaplaincy representatives and team members led our Penitential Services in tutor time. It was a very calm, prayerful and peaceful way to start the morning and Holy Week.

My God, I am sorry for my sins with all my heart.

In choosing to do wrong and failing to do good I have sinned against you whom I should love above all things.

I firmly intend, with your help, to do penance, to sin no more, and to avoid whatever leads me to sin.

Our saviour Jesus Christ suffered and died for us.

In his name, my God, have mercy.

Bishop Ullathorne, Pray for us.

Star students

Last month's subject superstars are as follows:

| Subject | Superstar | Yr |
|------------------|----------------------|----|
| Art | Gabriela Galczynska | 7 |

Good news

Poetry competition

Congratulations to Amba McKenna (Year 11) who won third place in the Perfect Pets Animal Antics Poetry Competition. This is a wonderful achievement from so many entries. Well done Amba. We are very proud of you.

Not Just a Dog

Your glistening eyes staring into my soul
At that moment in time I knew I had to take
you home
Your luscious fawn coat where my fingers like
to run down
Because you my darling, you deserve to
take the crown
Your cheeky smile melts my heart
Those pearly white teeth are a work of art
People say you're just a dog, to me you're
so much more
You're the little boy I fell in love with whom I'll
forever love and adore
You will never know this, but you are my
saviour
Protecting me from perplexing thoughts
which lead to danger
I promise to never leave your side
Boy, I'm here for you until the end of time

Public speaking

Congratulations to Year 11 students, Harry Davies, Bartosz Zygowski, and Benjamin Cooper, who competed in the English Speaking Union Regional Final.

The boys performed brilliantly amidst excellent competition from seven other teams. The standard in this region was incredibly high as noted by the judges and we were informed that it was a very close call to choose a winning team.

Although the team was not chosen to proceed to the National Final we are so proud of the achievement and for how they represented Bishop Ullathorne so well.

Mathematics challenge

Hegarty champions for most learning hours during February and March are:

- Year 7 - Kojo Antwi-Nuamah
- Year 8 - Roderick Kabuye
- Year 9 - Jessie Shabani
- Year 10 - Hilary Amoah
- Year 11 - Hana Hussain

Road to Tokyo

The PE department is running (quite literally) a new challenge. Students, staff, and parents/carers are completing as many miles as possible each week. Our aim is to reach Tokyo, the home of the next Olympics, before July. We need to cover 6984 miles either walking, running, or cycling. We have 373 people taking part and we have travelled 2925 miles at time of publication.

If you would like to join in, download the Strava app and search for Bishop Ullathorne.

Good news

Year 9 Catering students have been taking part in a challenge using a Tunnock's Tea Cake. Tunnock's runs an annual competition to encourage students to think about food styling and create an interesting presentation that fulfils a theme. The theme for 2021 was 'Tea Cake Travels Around the World'. Students had to focus on elements of decoration, added features and eye-catching presentation. We were very impressed with the range and originality of ideas. The top 5 students in each group were as follows:

| 9A | 9B | 9C | 9D |
|--------------------|-------------------|----------------|----------------------|
| Rhiannon Williams | Jenny Jaison | Abby Middleton | Cate Stewart-Winters |
| Alexander Groves | Lola-Rose Roberts | Olivia Kruk | Ciaran Richards |
| Prudence Ejimkonye | Ela Kirkwood | Joshua Turley | Sofia Monsanto |
| Holly Lewis | Katrina St John | Ciaran Lodge | Sreoshi Ahmed |
| Darcie Hitchcox | Sarah Fox | Patrycja Kmak | Alexander Quayle |

The Art department have received an amazing amount of Artwork since the start of January and it is with immense pleasure, pride, and gratitude that we can showcase some of the wonderful work. Below is just some of the fantastic amount of skill and techniques on show. We are in awe of what has been created.

Year 7: Digital manipulations created on the tablet around the theory of colour

Year 8: Hand observational studies turned into dream-like creations

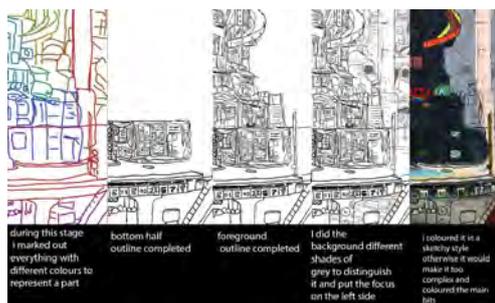

Year 9: Perspective of a room turned into Surreal worlds

Year 10: Digital tablet drawings and hand drawn futurist landscapes

Year 11: Development work around the themes of Disguise, Fragment, Hands and Personal Collection

Year 12: Art, Graphics, and Photography work showcasing work around the themes of Natural Form, Contrast, and Viewpoints

Year 13: Personal Investigation work around their own themes of Illusion and Identity

Year 7 Update

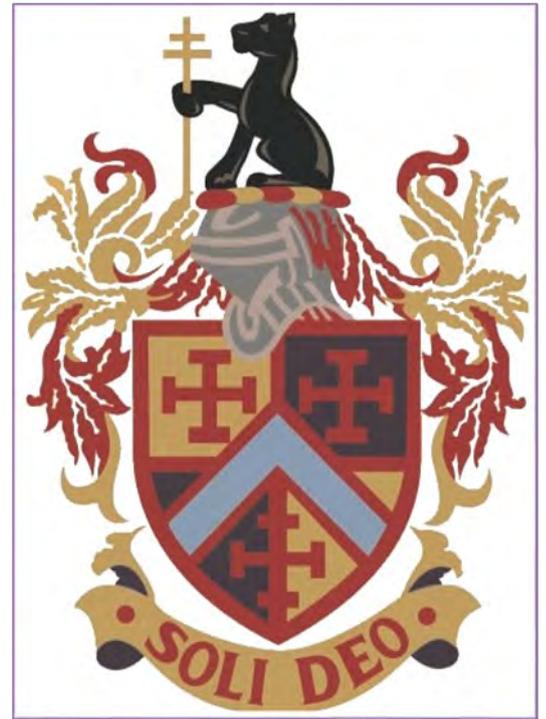

Ms Maxwell, Head of Year 7

It was truly an exciting moment to be able to welcome Year 7 back to school after the latest lockdown. Our students have had so many changes to adapt to throughout their time with us and each time they manage to rise to the challenge; we are very proud of them!

It was lovely to see them all together again and hearing their excited chatter, to see them hard at work in their lessons and having fun participating in their usual group games at break times or just catching up.

As we approach the Easter holidays, we are looking forward to being able to present several of the students with the Silver Character Passport. We are delighted that they were self-motivated enough to do this from home and thank parents for their support with this. In order to embark on the Gold Award in the Summer term, students do need to have completed their Silver Award first. We do appreciate that some will have struggled to do this from home without staff support and do not wish this to prevent them from getting the Gold Award. Therefore, we are offering a final deadline extension of Friday 30 April for any student who wishes to achieve the Silver Award.

The Summer term can then be devoted to the next achievement, which is a highly recognised award showing excellent leadership. Congratulations to all of those who have achieved the Bronze and Silver Award this term.

Year 7 key dates

Monday 14 June 2021

End of year examinations commence for three weeks.

Year 8 and 9 Update

Mrs Jeremiah, Head of Year 8 and 9

It is so lovely to have all of our students back in school for face-to-face learning. So many of our students continue to be grateful for the education they continue to receive and they are enjoying being back in the classroom and interacting with their peers. It has been a very busy time for Year 8 and 9 students as we have settled back into the reality of school life and continued our Lenten journey together.

Year 8 have been working hard on their Silver Passport awards and Year 9 have had the very important job of choosing their Options. I have been impressed with how sensible and efficient Year 9 have been throughout this process.

Year 8 are also top of the table in our Strava run to Tokyo, a great way to stay fit and healthy together. Well done! I know that I have done my bit to add to this target.

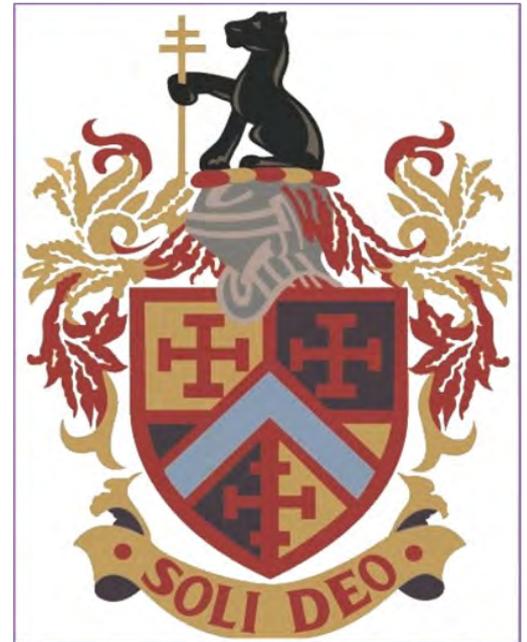

The majority of our students are coping admirably with the new challenges, showing resilience and continuing to follow our Ullathorne Way values.

Assemblies continue to be delivered on line. I look forward to a time when students can again start leading the Assemblies themselves.

Numerous activities have been taking place and awards given out over the last few weeks. I would like to take this opportunity to also thank all of our students for their massive contribution to our Easter Egg appeal for the

needy and homeless in our school and wider community. I know that this was a resounding success and reflects the generosity and compassion which our students have.

As always, we encourage our high standards regarding behaviour and ask that our students are 'kind always'. Have a very happy, holy and peaceful Easter holiday. We look forward to seeing everyone back in school for the Summer term.

Year 8 key dates

Monday 14 June 2021

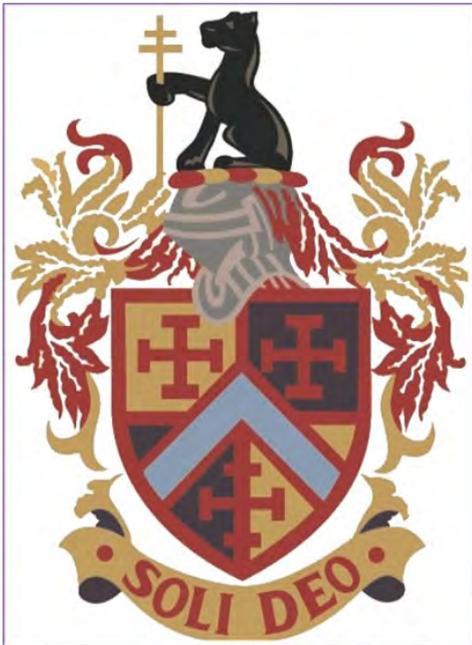

End of year examinations
commence for three weeks.

Year 9 key dates

Monday 14 June 2021

End of year examinations
commence for three weeks.

Year 10 and 11 Update

Miss Durkan, Head of Year 10 and 11

What a return to school we have had in Key Stage 4 - a term like no other! After the first two days it felt, for most, like we had never been away. By the end of the second week there were a lot of tired looking students who were happy to know that we only had nine more academic get ups to go! It may have taken us a couple of weeks to get back into the full swing of things and to remember to adhere to all of the rules and expectations - but we are back now in a great place; Year 10 learning is going well and Year 11 students have coped admirably with all of the changes that have befallen their whole year group. For Year 11, their journey has been very disjointed and with formal examinations cancelled again this year, they could easily feel 'hard done by.' However, I would encourage Year 11 and Year 10 students to focus on their successes and the skills that they have gained during this pandemic period.

Since our return, both year groups have successfully readjusted to face-to-face learning and they have demonstrated their resilience and dedication to schoolwork. Every teacher can regale the names of students who have impressed them and I can honestly say that for staff there is a tangible relief to have our students back in class with us. I hope that all of our students are proud of their efforts so far. As already mentioned in this newsletter, our Key Stage 4 team is exceptionally proud of Anne and Amba for their literary success; we hope that their passion for literacy and the arts continue to flourish in the years to come.

Year 10 key dates

14 June 2021

End of year examinations commence for three weeks.

Year 11 key dates

4 May 2021

Assessments commence for three weeks.

As part of our Lenten journey of prayer, fast and charity, our students have been brilliant in their generosity. Between both year groups they have donated over 60 Easter Eggs and, to date, their loose change collection has raised over £165 for our Coventry Foodbank Fundraising efforts. It is great to see our young people accepting that they can play a part, no matter how small, in helping those in our city who are less fortunate than themselves.

I wish our students a Happy and Holy Easter and look forward to their return in April.

Sixth Form Update

Mrs Casey, Head of Sixth Form

We were delighted to welcome our Sixth Form students back for their A Level lessons. They have a mature approach to developing their study skills. We are ensuring that the VESPA A Level Mindset programme is intrinsic in motivating students to achieve their very best.

Year 12 students are being reminded to continue their enrichment activities and record their reflections in their log book.

The Gresham College has an amazing wealth of lectures, which would benefit all of our students. Likewise, Speakers for Schools [library section](#) is a valuable resource.

This term, we have confirmation of students participating in Realising Opportunities, the Sutton Trust Summer School and a Cambridge University Masterclass.

Weekly emails to students highlight virtual work experience, which has resulted in placements during the Easter holiday.

Most of our Year 13 students are now confirming their firm and insurance UCAS choices. Student Finance England is now processing loan applications. Students seeking apprenticeships receive the latest opportunities via our Careers Adviser.

While we cannot underestimate the challenge our students have faced with the disruption this year, their resilience, enthusiasm and hard work will enable them to reach their goals. We are very proud of them all.

Year 12 key dates

Every morning
