The present continuous

The present continuous is used to describe an action that is in progress. It is formed by using the verb *estar* ('to be') in the present tense and the present participle (the *-ing* form of a verb).

To form the present participle – also known as 'the gerund' – remove the *-ar* ending from the infinitive and add *-ando*.

jugar – to play
estoy jugando – I am playing

For *-er* and *-ir* verbs, remove the *-er* or *-ir* and add *-iendo*.

hacer – to do
está haciendo – he / she is doing
